Microsoft Dynamics License Model Transition Add-on Sales Offer (US & Canada only)

Last Modified 7/7/2009
Posted 7/6/2009

Existing Microsoft Dynamics ERP customers will receive up to 25% discount on additional Business Ready Licensing users and Business Ready Licensing modules purchased at the time of a License Model Transition (LMT).

Terms & Conditions

Offer valid from July 6, 2009 to September 25, 2009

Offer available to existing Microsoft Dynamics ERP customers transitioning from Module Base Licensing to Business Ready Licensing

Additional Business Ready Licensing Users and/or Business Ready Licensing modules or granules must be purchased at the time of the License Model Transition (same purchase order).

Discount doesn't apply to the License Model Transition fee. Standard License Model Transition (LMT) policy and restrictions apply as described in the Customers Services Guide. Customers deactivating modules within the last 6 months leading to LMT will either need to reactivate those modules or wait 6 months before transitioning.

Protected List Price (PLP) from Module Based License will remain in effect under Business Ready license.

Discount doesn't apply to enhancement fee, Standard Enhancement Fees apply.

Customers must be current on their enhancement plan to be eligible for this offer – this offer does not apply to lapsed customers

Offer cannot be combined with any other Microsoft Dynamics offer except with the Dynamics Reenrollment Award

Offer available only through participating partners. Partner prices may vary.

Offer available only in the U.S. & Canada.

Promotion code: NA-Q1-10-06
